

MESSAGE FROM THE EDITORS

Readers will notice that the current issue of the *Record* has been marked Summer 1994. Although the *Record* will continue to be published on a quarterly basis, it has been determined that a seasonal publication format will provide greater flexibility in ensuring that the *Record* will continue to report on matters of interest in a timely manner. As a result, the next issue of the *Record* will be prepared in the fall and should be ready for distribution in late October of this year.
