Correction Notice

In the Summer issue of the *Record*, we referred to the respondent in the Director's abuse of dominance application as "Nielson" on the cover page and in the table of contents. As readers will know, the proper spelling of the company's name is "Nielsen", the full name being Nielsen Marketing Research, a division of The D&B Companies of Canada Ltd.

We also attributed the article entitled "New Issues of *Misleading Advertising Bulletin* Released" to Christopher "Brown" of the Bureau of Competition Policy when, in fact, the article was written by Christopher "Martin" of the Bureau of Competition Policy.

We regret the errors.
