

MESSAGE FROM THE EDITORS

During the editorial process of preparing the 1997 Autumn issue of the *Record*, we inadvertently ascribed the authorship of the article "Market Foreclosure Under "Abuse of Dominance": A Commentary on *Nielsen*" in the Table of Contents to James Musgrove and Daniel Edmondstone. As set out on the cover page and at page 34 of the Autumn issue, the article was written by Paul Collins of Stikeman, Elliott. We apologize for the error.
